Mark your calendar: you are invited to our Second Entrepreneurship Summit to be held on September 26, 2013. Please join us to learn about and experience firsthand the spirit of smart entrepreneurship.

Date & Time: from 9 a.m. to 4 p.m. on September 26th 2013

Venue: Budapest Business School (BGF), Budapest 1055, Markó utca 29-31.

The Second Entrepreneurship Summit will focus on building smart and effective entrepreneurial capacity. This distinctive event represents a dynamic partnership involving the academic and business communities. Participants at the Summit will include university professors and students, government representatives as well as representatives of the entrepreneurial and related business community in Hungary and worldwide. The goal of the one-day program is to take a close and realistic look at what it takes to become a successful entrepreneur in today's economy. The Summit will offer state-of-the-art presentations by successful and aspiring entrepreneurs and business leaders and financiers who have a longstanding track record of backing winning entrepreneurs.
